

U.S. Environmental Protection Agency

National Recruitment Webinar: First Generation College Students

The U.S. EPA invites students from all backgrounds, both STEM and non-STEM, to join us for an overview of the federal hiring process, including how to apply to paid internships and recent graduate opportunities. EPA hiring experts will answer your questions and give you the best tips on how to start your career at EPA!

Learn and Discuss

- ✓ EPA positions for students, recent graduates, and others
- ✓ Creating profiles and saving searches on USAJOBS.gov
- ✓ Building a federal resume
- ✓ Web resources for federal jobs
- ✓ Diversity, equity, inclusion, and accessibility efforts at EPA
- ✓ EPA's role in protecting human health and the environment
